This program's purpose is to assist in personal and Family preparedness to enhance the quality of life in our Community, through education.

AFAP identifies and recommends solutions to Soldier and Family generated issues that affect the quality of life of the total Army Family.

Three levels of training focusing on preparedness and education for all of America's Army (active, reserve and retired Soldiers, DA civilians, and Family Members).

Familiarizes Fort Carson's civilian partners on topics such as rank, command structure, acronyms, how to recognize TB/PTSB, and ACS services.

Prepares CDR/1SG Spouses on the unique challenges they may face in a leadership role.

Provides assistance for active duty, Reserve and National Guard Soldiers and their Families throughout the

Trains units that are preparing to deploy, the process of deployment and the challenges that may arise.

Trains Rea-D personnel on handling challenges that may arise during deployment. Focus is on the FRGs, problem solving, and community resources.

Trains FRG leadership to set-up, maintain, and handle challenges within the FRG IAW AR 608-1, Appendix J.

Trains FRG Key Callers how to perform duties, and handle crisis phone calls.

Teaches FRGs how to properly manage funds, audits, and fundraisers IAW DA 608-1, Appendix J.

Focuses on five dimensions of strength: emotional, spiritual, social, family and physical; to enhance Families mental fitness.

Irans Spouses awaiting their Soldiers return on how to open the lines of communication after an extended separation.

Trains returning units AW the Deputy Chief of Staff Checklist, to help Soldiers and Families in the transitioning process. * Available online with Command approval.

Mental health professionals trained in military family specific topics that assist with problem solving and life skills.

Consultations are confidential with exceptions of mandatory report situations.

Assigns units a POC within the ACS organization to assist Leaders in navigating the programs and services ACS offers.

ACS at (719) 526-4590.
